NEW JERSEY

This Provider Directory is provided by Coventry Workers' Comp Services to present to you information on hospitals, physicians and other providers who have agreed to provide their usual services to you at specially contracted rates of payment. All decisions about the type of care you receive are the responsibility of you and the physician whom you select. The quality and results of the care provided are the responsibility of the physician. Some health services may be provided by resident physicians under the supervision of the listed physicians. While Coventry Workers' Comp Services make every effort to maintain accurate and up-to-date information, we cannot be responsible for any omissions or errors after publication. Please confirm provider participation prior to your visit.
